To The Dahlia Lover

I am taking great pleasure in presenting to you this list of exceptionally good dahlias containing many Certificate of Merit and Honor Roll dahlias together with some of the older varieties which have proved themselves of outstanding worth and dependability.

As I have acquired a large seed clientele I grow only the better and larger varieties of cactus, semi-cactus and decorative types of dahlias in my garden which is situated in a territory free from any of the smaller types of dahlias.

All seed is thoroughly ripened on the plants which is made possible by the long California growing season and thus is assured of a high percentage of germination. Seed is all hand picked and hand cleaned and thoroughly tested before shipping.

I DO NOT GROW FOR CUT FLOWERS AND CONSEQUENTLY HAVE NO REASON TO FORCE MY PLANTS, THUS ALLOWING ALL STRENGTH OF A NORMAL GROWTH TO GO TO THE SEED AND TUBERS.

The Chappaqua Dahlia Gardens of Chappaqua, N. Y. are acting as my eastern representatives and are growing and introducing my new originations.

They, as well as myself, cordially invite you to visit our gardens at blooming time.

THERE IS ALWAYS SOMETHING NEW IN OUR GARDENS AT BLOOMING TIME and you and your friends are welcome to come as often as you wish and without feeling under obligation to buy.

Postage paid on all retail orders of \$2.00 or over.

Courtesy to the trade.

Seed prices are Net and are as follows:
